The 1966 Growth Program was  
kicked off at a dinner, September  
28, 1966, at McCormick Place.  
**Emmanuel Duncan**, Lake Shore's  
veteran Growth Program Chairman,  
reports that ten new units are under  
way and will be registered by De-  
cember 30.

### CAMPOREE

**Vic Yamakawa**, Lake Shore's  
Camporee Chairman, announces that  
we will join 31 other districts in the  
Council in holding "Coordinated  
Camporees" at various Chicagoland  
locations on the 7-8-9 of October.

Lake Shore will hold its Campo-  
ree at Camp Fort Dearborn, Higgins  
and River Road, on the northwest  
side. All troops and posts are cor-  
dially invited to attend. **Vic** would  
appreciate advance knowledge of  
your attendance to prepare for you.  
Call him at AT 5-4765 to tell him  
your unit is coming. Program high-  
lights are water boiling, orienteer-  
ing, signal relay, contests, plus a  
skill-o-rama and campfires. Special  
emphasis will be placed on patrol  
operation. The new **Back Pack**  
award will be available to those pa-  
trols who pack their food and equip-

ment on their backs in an approved  
manner and hike ½ mile into the  
site. Registration fee for the week-  
end is 50¢ to cover the cost of  
patches and awards.

### ROUNDUP BEGINS

Now is the time to recruit new  
members for your unit as boys re-  
turn to the routine they follow for  
9 months of the year, and units re-  
new their programs.

Several things should be kept in  
mind when encouraging active re-  
cruitment. Attractive "Recruiter"  
strip patches are presented to each  
member who recruits a new boy.  
Unit leaders receive a handsome tie  
clasp for achieving their Roundup  
goal and the unit a recognition cer-  
tificate. The first step is to file a  
Roundup goal of the number of  
boys your unit will recruit with  
Earl Ronenberg, phone 288-2250.  
Come on now, make it a challeng-  
ing goal, not one you can do with-  
out effort!

Oh, by the way, the District will  
again conduct surveys in the schools  
and supply the names of boys who  
wish to join in your neighborhood  
to you for recruiting.

### RESIGNATION

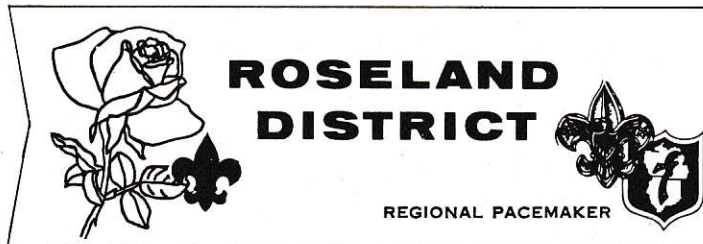

The Chicago Area Council re-  
grets to announce the resignation of  
**Frederick Hunter**, who served Lake  
Shore since February of this year.  
We wish Fred well as he takes on  
new responsibilities with Standard  
Oil Company. We will now expect  
even more of Standard, and with  
Fred on their team, we'll get it!

### FIRESIDE CHAT

District Chairman **Don Jacobs** an-  
nounces that a special Fireside Chat  
will be held on December 13 for  
unit personnel to acquaint them with  
the plans for Scouting in Chicago.  
Council Officers will be on hand on  
this night to unfold the story.

The exact place and time will be

### GOOD NEIGHBOR AWARD

Congratulations to Mrs. Verdie Burks, Den Mother of Pack 3189, upon her receiving the **Good Neighbor Award**. Mrs. Burks is a top Den Mother in the Robert Taylor Homes, and is very active in community work.

### GROWTH PROGRAM DINNER ATTENDANCE

Thanks to the Institutions that attended our Council Growth Program Dinner, September 28, 1966. You have shown by your attendance your concern to serve boys. We are looking forward to seeing your units registered with our Council as you make your entry in the "Wonderful World of Scouting."

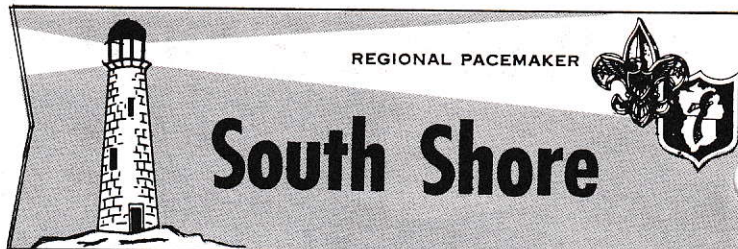

### PERFECT ROUNDTABLE ATTENDANCE

Since Taylor Park became a district June 1, 1966, Pack 3137 of the Omega Bapt. Church has been in perfect attendance. That is, all registered Den Mothers and their Cubmaster **Ivory Robinson** have been present at all of our Cub Leaders' Roundtables. Will we see your unit at the next Roundtable?

### ROUNDUP TIME

Is not October the ideal month for Scouting? Back to School, leaves falling, fond memories of last summers' camping experience. As was stated by the Director of Field Service, "it's apple picking time". Time for filling your unit's baskets with more boys. That little boy you passed on your way to the Cubnic last Summer. That lad with the gleam in his eye that watched your troop board the bus to Owassippe last Summer. Or, maybe, the youngster that has attended your troop meeting all along, but you haven't taken the time to register him. What about the fellows down on the playground? Do they want to be Scouts? Sure they do; so get busy, it's Apple picking time.

The following stores represent the Boy Scouts of America in providing you with official merchandise needed in your Scouting Activities. You will find their service fast and dependable. They will go out of their way to be helpful.

### YORKVILLE BOUND

On October 7, hundreds of Scouts and Scouters from the South Shore District will hike into the Yorkville Scout Reservation to qualify for the Back Packer Award.

The Back Packer Award will be an added feature of the Coordinated Camporee. Each patrol will back-pack all their equipment and food into the Camporee site from the parking lot and after checking with the judges, will set up their patrol site. They will sleep, eat and work together as a patrol for two nights and three days.

During Saturday, they will try their skills on events such as water boiling, signaling, relay and flagpole raising. Sunday, they will watch and demonstrate skills in the Skill-O-Rama—ranging from ax safety to weight lifting.

A special feature Saturday night will be a fishing contest. All the Scout needs for this event is a string and hook; the fish are waiting in the Fox River.

Awards will be made to each patrol according to their qualifications. They will be judged on their packs, personal equipment, patrol equipment, patrol organization and administration, commissary and food, health, safety and sanitation, campsite and checkout.

**Sadayuki "Suds" Mouri** and **Bert Brandelle** are Co-Chairmen for the event and have recruited an outstanding staff to assist them.

Details of the program and events are contained in a special folder which was distributed to Scoutmasters by the Camporee Committee and Commissioner Staff.

## SELF-RELIANCE IS KEY TO UNIT FUND-RAISING

Unit money-earning projects should be conducted in order to fulfill a specific need of the unit. The most worthwhile projects are those which are geared to helping Scouts help themselves by encouraging responsibility and self-reliance.

An annual unit budget determines the financial requirements of the unit and indicates the need for any fund-raising activities. All such projects must be first approved by the district finance committee. A "Unit Money-Earning Application" must be filed with the district finance chairman.

## UNIFORM DAY SET FOR OCTOBER 17

Every Cub Scout, Boy Scout, and Explorer has been instructed to wear his complete official uniform to school on that day to add emphasis to the 1966 Fall Roundup Campaign. ## ALONG THE SCOUTING TRAIL

By **Alden G. Barber**

The question most often asked is, "How do I persuade parents to work on the unit committee?" Maybe this story will help—if properly used.

The banker told the Scoutmaster he felt sure they could loan him \$300, but they would have to run the usual check.

Two days later, when the loan was approved, the Scoutmaster asked the banker, "What value do you place on your son?" The startled banker replied, "Why do you ask such a peculiar question?" "Because," replied the Scoutmaster, "Your son is in my Scout troop. You have entrusted to me—a total stranger—the molding of his character without even asking my name. Yet you conduct a thorough investigation in order to loan me \$300."

The banker is an active member of the troop committee—now.
